# SABIKA

## SOFTWARE QUALITY ASSURANCE ENGINEER | TEAM LEAD

## SUMMARY

Results-driven SQA Team Lead and Quality Assurance Engineer with 2+ years of experience spearheading end-to-end testing across Android, iOS, and web platforms. Skilled in building test automation frameworks using Antigravity and executing comprehensive manual, API, and UI testing with tools like JIRA, GitLab, and Postman. Proven track record of leading QA initiatives, streamlining CI/CD testing workflows, mentoring teams, and ensuring high-standard product releases in agile environments.

## EXPERIENCE

**Zeesofttech** Islamabad, Pakistan  
**SQA Team Lead | Senior SQA Engineer** 10/2024 – Present

- Lead end-to-end QA operations across Android, iOS, and web platforms, managing test planning, defect lifecycles via JIRA/GitLab, and team mentorship to ensure reliable releases.
- Developed automated test suites using the Antigravity framework to streamline application workflows and significantly reduce manual regression time.

**Zeesofttech** Islamabad, Pakistan  
**Software Quality Assurance Engineer Intern** 05/2024 – 10/2024

- Authored and executed structured test plans, scenarios, and bug reports across native Android and iOS apps, performing functional, regression, UI/UX, and Postman API testing.
- Tracked and prioritized defect lifecycles via JIRA and GitLab, analyzing quality metrics and collaborating with cross-functional teams to streamline sprint releases.

**Terasharp** Remote  
**Cross-Platform Mobile Application Developer** 11/2023 – 04/2024

- Developed and maintained responsive cross-platform mobile applications for Android and iOS using Flutter and Dart, integrating RESTful APIs for seamless backend synchronization.
- Collaborated with UI/UX designers and backend engineers to optimize app performance, resolve critical bugs, and deliver stable, high-quality releases.

**Terasharp** Remote  
**Software Design & Engineering Intern** 08/2023 – 10/2023

- Participated in architectural discussions, requirements gathering, and rapid prototyping for multi-tier client software solutions.
- Contributed to core feature implementation, routine debugging, and baseline functional testing to guarantee code stability prior to staging deployments.

## EDUCATION

**International Islamic University** Islamabad  
Bachelor's of Science in Software Engineering 2018 – 2022
